REQUEST FOR TEST ACCOMMODATIONS

The Universal Life Care Planner Certification Board (ULPCB™) supports the intent of and complies with the Americans with Disabilities Act (ADA). ULPCB™ will take steps reasonably necessary to make certification accessible to persons with disabilities covered under the ADA. According to the ADA, an individual with a disability is a person who has a physical or mental impairment that substantially limits a major life activity (such as seeing, hearing, learning, reading, concentrating, walking) or a major bodily function (such as neurological, endocrine, or digestive system). The information you provide and any documentation regarding your disability and test accommodations will be held in strict confidence.

All approved test accommodations must maintain the psychometric nature and security of the examination. Accommodations that fundamentally alter the nature or security of the exam will not be granted.

Test Accommodations may be made upon receipt of the Application, examination fee, and a completed and signed Request for Test Accommodations Form. This form must be uploaded with the online application. Applications and accommodation requests must be submitted no later than 8 weeks before you receive the portfolio examination documents. Candidates who do not submit their Test Accommodations Form with their application may not be able to test during their chosen testing period.

Only those requests made and received on the official Request for Test Accommodations Form will be reviewed. Letters from doctors and other healthcare professionals must be accompanied by the official form and will not be accepted without the form. All requests must be made at the time of application. Accommodations cannot be added once portfolio examination documents have been received.
